Restorative Practices Certificate Training Summer 2019

Sandbox skills...the basics of getting along with each other, require taking turns, listening attentively, speaking from the heart, and resolving conflicts productively by working it out together.

Sounds pretty basic, right?

Sometimes, in the heat of the moment, you need more.

Restorative Training teaches techniques and interpersonal tools that help you be successful in the moment, at work, home and play.

Join us this summer to add more tools to your sandbox!
